

Re: Two full-time physician opportunities available at Kensington Medical Clinic and potential to work at other clinic locations in Alberta.

Overview

We see patients with or without appointments and we work in English. Each physician works out of two rooms with adjoining office. Our clinics are busy with high demand for new physicians seeking to service a full patient load. The clinic has an expanding patient database of all ages with a wide variety of medical needs. Our clinics have a strong professional culture with collegial environment. This office is fully computerized.

Job Duties

You will carry out duties as a general practitioner including:

- Diagnose and treat the diseases, physiological disorders and injuries of walk-in patients and patients with appointments
- Examine patients and take their histories
- Order laboratory tests, X-rays, and other diagnostic procedures
- Consult with other medical practitioners to evaluate patients' physical and mental health
- Prescribe and administer medications and treatments
- Vaccinate patients to prevent and treat diseases
- Advise patients and their families on healthcare including health promotion, disease, illness, and accident prevention
- Provide counselling and support to patients and their families on a wide range of health and lifestyle issues
- Manage primary patient care
- Provide continuous care to patients
- Report contagious and other diseases to governmental authorities

Job Details

This is a permanent full-time position. Remuneration is on a fee-for-service basis. We also provide generous vacation allowance, flexible schedule options, and time off for continuing medical education. You will require the skills and training of a licensed physician including a recognized university medical degree, completion of residency requirements, and be enrolled as a Licentiate from the Medical Council of Canada and the Alberta College of Physicians and Surgeons.

This is an excellent opportunity to practice medicine without the responsibility of administrating an office. We would be pleased to hear from you.
